ABOUT US.

OUR MISSION

Inspired by our home city, Baltimore Center Stage acts as a cultural catalyst for all communities to access theater in every form and engage in compelling conversations.

ABOUT US

BCS is rooted in providing active and open accessibility to our programming, including mainstage series productions, civic programming, learning and social accountability programs, and special engagements and projects.

Founded in 1963 and designated the State Theater of Maryland in 1978, BCS provides the highest quality theater and programming for all members of our communities, including youth and families.

LAND ACKNOWLEDGEMENT

Baltimore Center Stage acknowledges that the land beneath us, this place, this community, owes its vitality to generations who have come before. Some were brought forcibly to this land, some came here in search of ownership or simply a better life, and some have lived and stewarded this land for countless generations. In a spirit of making erased histories visible, we acknowledge that we are standing on the ancestral and occupied lands of the Piscataway peoples. The Susquehannock, Lenape, and Lumbee peoples have also cared for this land. The peoples are not relics of the past, but they continue to steward this land today with care, vitality, and tradition. Their relations are numerous throughout Turtle Island, and they are continuing to grow. We pay respects to their elders past, present, and future. Please take a moment to consider the many legacies of violence, displacement, migration, and settlement that bring us together here today. And please join us in uncovering such truths at any and all public events.

700 NORTH CALVERT STREET

Baltimore Center Stage has been in its historic Mt. Vernon home since 1975. In 2017, we completed a \$28 million renovation to create more opportunities for art making and community building, with new public spaces to gather in before and after shows, and state-of-the-art performance spaces with the best in theater design and technology. Since then, we have hosted parties, company meetings, weddings, and performances for those in the Baltimore community.

1ST FLOOR

THE DEERING LOBBY

Our first floor Deering Lobby is a spacious, open area located beside the entrance to the Pearlstone Theater. This is a versatile space that can be adapted for reception-style events as well as intimate performances. It features a popular quote wall containing memorable quotes from celebrated playwrights, the first floor bar, our ticket office desk, and restroom facilities.

This space can accommodate up to 100 people standing, with additional reception and cabaret-style performance configuration options.

3RD FLOOR

FRANCE-MERRICK BOARD ROOM & LIBRARY

Our third floor conference room was originally the library when this building housed Loyola College and Loyola High School. This space previously served as the costume shop when Center Stage acquired the building in 1975, with the original wooden cabinetry being saved. Along with refurbished wainscoting, as well as other key elements, the space has been restored into a beautiful yet functional room for meetings. This space can accommodate up to 30 people with hybrid-call capabilities.

4TH FLOOR

THE DEERING LOUNGE

This newly-created, open space features comfortable lounge furniture, a bar, atmospheric lighting and floor-to-ceiling windows facing Calvert Street. Adjacent to the entrance of the Head Theater, enhanced lighting on the exterior of the structure draws attention to this dynamic area. This gathering space can be configured to the needs of your event, accommodating up to 150 people standing, and up to 70 people seated at tables.

TECH SPECS

DEERING LOUNGE, 4TH FLOOR
